RECOMMENDATION

Receive and File February 2024 Monthly Financial Report

DISCUSSION/BACKGROUND

The monthly financial reports are presented to provide a summary overview of revenues and expenses of the Town's major funds: General Fund, Capital Projects Fund, Water and Wastewater Enterprise Funds.

See below for the February 2024 financial report.

February 2024 – 66.7% of the Fiscal Year

TOT collections included in the February 2024 monthly financial report are applicable to July through January 2024 TOT, covering 58.3% of the fiscal year.

Sales tax receipts lag 2½ - 3 months behind the actual collection period. Reported sales tax amounts are applicable to July through December sales tax revenues, or 50% of the fiscal year.

The Town received its first large allocation of property taxes of \$1,056,657 from the County of Napa at the beginning of January. The second large allocation of property taxes is expected to be received in April or May.

Interest Income for the second quarter of Fiscal Year 2023/2024 was higher than expected as reflected in the General Fund Investment Earnings amount and the Water and Wastewater Funds Interest Income accounts.

General Fund department revenues and expenditures are on track with budget expectations. Any department expenditures that appear to be higher than the percent of budget to date are because of larger payments that are due throughout the fiscal year, such as the payments to the Chamber of Commerce, premiums for Liability and Worker's Compensation Insurance, and timing of expenditures related to the Parks & Recreation Camp Programs. These expenditure accounts are expected to level out by the end of the fiscal year. Law Enforcement Services are show as 75% of the budgeted amount because payment of the March 2024 invoice was paid in the last week of February.

The expected \$2,000,000 Federal Grant revenue budgeted in Fund 63 Wastewater Capital Joint Treatment Capital Fund is applicable to the USDA low interest loan that the Town is pursuing for the Joint Treatment Plant Modifications project. The expected \$1,000,000 Miscellaneous Revenue budgeted in the same fund is applicable

to the \$1,000,000 Emergency Recycled Water Transmission Main Repair Project that the Town is anticipating to be covered by Town property damage insurance.
