### YOUNTVILLE ARTS COMMISSION

Commissioner

**Employer:**

**Job Title:**

### **Interests & Experiences**

**Do you currently live in Yountville?** Yes

**Are you a Yountville Business Owner?**

**Are you registered to vote in Yountville?**

**Why do you want to serve on this Board, Commission, or Committee?**

I've very much enjoyed serving the past two years, helping to develop new programming and enhancing our current community event offerings. It is extremely gratifying to be able to make a difference in our community. I currently have several programs in the works for the remainder of this year.

**What do you perceive is the role of this Board, Commission, or Committee?**

.

**How would you represent the interests of the community?**

.

**What strengths/expertise/special skills would you bring to the Board, Commission, or Committee?**

Having served the past two years on the Commission I bring current relevant experience. In my past I managed a sales team for several years, and worked in B2B sales. I write poetry, do a bit of painting, and am a creative thinker who is well-connected in our community. In college I was a volunteer on our campus Program Board where we booked concerts, movies, speakers, etc. I'm fortunate to be old enough to have experience but young enough to bridge the gap and still have the energy needed for the position. : )

**Please describe your previous community service and volunteer experience.**

As mentioned above, I am a current Arts Commissioner, as well as having served on the Advisory Board when the Town of Yountville last updated its General Plan. Prior to this time I was working full time. Also supported the American Cancer Society by creating teams for their 24-hour walk-a-thons to raise donations and awareness.

**Anything else you would like to tell us?**

I look forward to continuing my role.
