Javad and his wife Amanda Trew died tragically in a car accident on March 12th 2024, on his 42nd birthday, and left behind 2 young boys. Javad was an Arborist who worked with A Plus Tree and was our North Bay representative, which included the Town of Yountville. He was incredible to work with, always so positive, full of gratitude, and planned to be with A Plus for the long haul.

Yountville has always been a special place for A Plus, our late founder also has a memorial bench in front of Town Hall. The location of Javad's bench is particularly special because it was the site of the last job his crew was on, March 12th. He was passionate about trees and dedicated to his clients.
