## Yountville Town Council Staff Report

**DATE:** February 4, 2025

**TO:** Mayor and Town Council

**FROM:** John Ferons, Public Works Director

**PREPARED BY:** Rosalba Ramirez, Deputy Public Works Director

### **RECOMMENDATION**

Adopt Resolution Number 25-4338 approving Amendment No. 2 to the existing Professional Services Agreement (PSA) with Capuzzi Consulting Group Inc., increasing the agreement's maximum amount from \$44,325 to \$91,325 and authorizing the Town Manager to execute the Amendment.

### **DISCUSSION/BACKGROUND**

On August 14, 2024, the Town entered into a Professional Services Agreement (PSA) Capuzzi Consulting Group Inc. for design and planning services for mobility improvements in the north end of town in the original contract amount of \$25,000.

As the project progressed, town staff saw the need for Capuzzi Consulting's presentation exhibits and design studies in the Washington Street Corridor project. A contract Amendment was approved by the Town Manager in the amount of \$19,325.00 to provide the funds for Capuzzi Consulting to proceed with the additional design. The Washington Street Corridor project is a combination of various projects that will improve access, mobility, and facility conditions on Washington Street. The complexity of the various pieces of the overall project and the benefit of various design exhibits requires another increase in the contract amount. The current proposed increase of \$47,000 will bring the new contract total to \$91,325.00.

Staff recommends that Town Council adopt Resolution Number 25-4338 approving Amendment No. 2 to Professional Service Agreement #2024-911 with Capuzzi Consulting Group Inc. to provide design/graphics services beyond the original scope of work and authorize the Town Manager to execute the Amendment.
