I have enjoyed serving on the ZDRB and serving the efforts of the Yountville Planning Department with the development of the General Plan and on the ZODO Ad Hoc Committee; I see, first hand, the importance of volunteers to these efforts. I also really enjoy the work and interaction with others who serve the town on the ZDRB. It would be a pleasure to continue serving this board.

My approach is thoughtful, versatile, and rooted in the pedagogy of the built environment. Anything else you would like to tell us?

I have a great respect for the Council and Commission's commitment to preserving and enhancing Yountville's character and built environment.
