RECOMMENDATION

Adopt Resolution Number 24-4317 Authorizing a Budget Adjustment from Fund 25 Measure T Fund Balance to Capital Improvement Project MT-3025 in the amount of \$91,000 for Measure T Fiscal Year 2024 Street Rehabilitation at Solano Avenue.

DISCUSSION/BACKGROUND

At the May 21, 2024 Town Council meeting, Council approved a CIP budget that included \$550,000 for the MT-3025 construction project funded by Fund 25 Measure T Fund Balance of \$995,012. At the time of the CIP budget process, the project budget was estimated based on the annual allocation the Town of Yountville receives as part of the Measure T sales tax.

The MT-3025 annual paving project was publicly bid and awarded by Town Council at their September 17, 2024 meeting to Argonaut Constructors with the low bid of \$610,409.15 leaving a gap of \$60,409.15. The requested budget adjustment will move \$91,000 to the current project budget to cover the base cost of the work and include a 5% contingency to allow for unforeseen conditions or circumstances that may arise during the construction process. After this requested project budget adjustment, the expected Fund 25 ending fund balance as of June 30, 2025, would be \$354,012.

The budget adjustment is as follows:

Current MT-3025 Budget	\$550,000
Fund 25 Allocation	\$ 91,000
Adjusted MT-3025 Amount	\$641,000
Remaining Fund 25 Balance	\$354,012

Staff respectfully requests the Town Council authorize a budget adjustment from Fund 25 Measure T Fund Balance to Capital Improvement Project MT-3025 in the amount of \$91,000.
