"Together We Are Better"

Community Emergency Preparedness Workshop Series

Tuesday, September 12 5:30 PM
Yountville Community Center
COAD
Join Napa Valley COAD and learn about the importance of neighborhood connections and emergency preparedness through the Meet Your Neighbor program! We will discuss the need to build a network within your neighborhood and tips for creating these connections to stay safe during a disaster. Learn about local alerts, go bags, stay boxes, and emergency planning. Preparing for any type of emergency is easier together.

Thursday, October 19 5:30 PM
Yountville Community Center
NAPA FIREWISE
Invite a friend and learn how to take steps to protect your homes with an interactive presentation from FireWise on structure hardening and defensible space from fires. You will also learn about resilient landscaping for drought and fire protection. Together we can create safer and stronger communities!

Tuesday, October 24 5:30 PM
Yountville Community Center
AMERICAN RED CROSS
Join us for a Red Cross event where you will learn life-saving skills! This opportunity promises to be an invaluable experience for attendees and will be led by the Red Cross team of instructors. The event will feature interactive demonstrations, practical exercises, and informative presentations. Don't miss out on this chance to make a difference in your community and be prepared for any situation.

Survey

Created and distributed a [Google survey](#) to those registered and attended workshops.

Adding registered participants to Towns Emergency Preparedness email list.

The screenshot shows a Google Survey titled "Emergency Preparedness Workshop Fall 2023". The survey is from the Town of Yountville. It includes a thank you message and a request to fill out a quick survey by Monday 11/13/2023. The survey questions are:

- Which workshop(s) did you attend? *
- How did you hear about the preparedness workshop events? *

The first question has four options: COAD - September 12, Napa Firewise - October 19, American Red Cross - October 24, and I did not attend any workshop. The second question has five options: Social media, Yountville Sun, Town of Yountville Press Release, From a friend, and Other:.

Met with Partners

Staff and Council members met with partners to debrief events, discuss their experience, community feedback, and survey results.

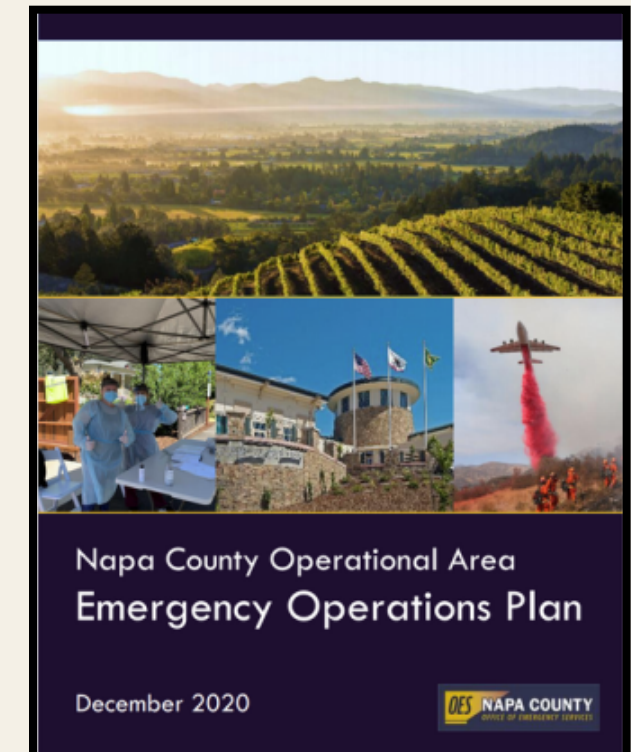

OES Emergency Operations Plan & Other Planning Tools

Met with Brianna from Napa OES, county is currently working on a county wide emergency plan and finalized early next year.

Breiana set up virtual training/review on Zonehaven for Hilary and Bea.
