**TO:** Yountville Arts Commission

**FROM:** Geoffrey Leigh, Commissioner

**TITLE/RECOMMENDATION:**

Review and Approval of Chas Pulido as the featured artist in the Steve Rogers Gallery in 2026.

**DISCUSSION/BACKGROUND**

Chas Pulido is an abstract artist who has been painting since he was a child. His art delves into the world of action painting popularized by Jackson Pollock using a drip technique or pouring and splashing paint on a horizontal canvas. His painting often represent vibrant energetic abstract visuals using a multitude of colors to depict flowers, water, trees and many more designs found in nature.

After overcoming a brain tumor, Chas faced another challenge — developing Fibromyalgia, a chronic autoimmune condition. Yet, he refuses to let illness define him. His journey through chronic pain and his resilience is reflected in the boldness, vibrancy, and growth of his artwork. A passionate advocate for those battling chronic conditions, Chas believes perseverance can transform obstacles into opportunities, proving that no setback is greater than the pursuit of one's dreams.
