SUBJECT:
Off Leash Dog Hours in Parks - Pilot Program for Review and Feedback

DISCUSSION/BACKGROUND

As part of the implementation of the Parks and Recreation Master Plan, staff is working on phases of achieving the “Development of a Dog Run/Dog Exercise Park” item that was noted as a goal in the plan. A short term solution is to format a PILOT PROGRAM offerings Off-Leash hours in our existing parks. Staff is proposing the draft language below to the PRAC for review, discussion and feedback prior to bringing the item to Town Council for approval. In the short term, the Pilot Program can be implemented quickly with the additional of signage and Mutt Mitt stations. Longer term, the the project is successful and the community wants to implement Off-Leash hours permanently, staff will bring back draft Ordinance language to update the Municipal Code.

YOUNTVILLE OFF LEASH DOG HOURS – PILOT PROGRAM 5/1/2024 – 11/1/2024

Municipal Code.
