To PRAC:

I would like to comment on the proposal on PRAC's March 21st agenda for a 6-month pilot program allowing off-leash dogs in Vineyard Park and elsewhere during specific hours.

I think this is not a good idea because the turf area of the park interfaces closely with people's homes. There are better locations to consider including Yountville Park, Veterans Park south of the bocce courts and the field behind Yountville Elementary School.

I urge you to remove Vineyard Park from this pilot program.

Best regards,
