190 California Drive  
Yountville, CA 94559  
Telephone: (707) 944-4500

**Memorandum**

**To:** Steve Rogers  
Town Manager, Town of Yountville

**From:** Majel Arnold  
Director of Operations, Veterans Home of California - Yountville

**Date:** March 22, 2021

**Subject:** FY 2021-22 Water Allocation

---

As Per Section 13 of agreement 04YS0025, ratified by Town Resolution 2321-05, we are notifying you that your maximum water allocation for the period of July 1, 2021- June 30, 2022 will be 400 Acre Feet. This represents a 20% reduction from your usual allocation of 500 Acre Feet.

As of today, Rector Reservoir is at approximately 80% capacity. Long range forecasts do not support any major precipitation. The California Department of Water Resources has classified the current water year as critical with the next update scheduled for April 1, 2021.

We are asking for water conservation throughout the entire system including the Veterans Home. These efforts will ensure we preserve the water supply within Rector Reservoir for everyone's future needs.

In the event that rainfall totals change between now and the next water year, we are happy to review these allocation guidelines and adjust appropriately.

Please let me know if you have any questions or concerns.
