

April 6, 2021

Jane Anderson, Chair  
California Citizens Redistricting Commission  
721 Capitol Mall, Suite 260  
Sacramento, CA 95814

Dear Chair Anderson:

The Town Council at its meeting held April 6, 2021, adopted three resolutions (attached) respectfully urging the Citizens Redistricting Commission (Commission) to keep Napa County within a single US House of Representative, State Assembly and State Senate Districts as well as in the same districts as counties which share Napa County's interests in agricultural, wine production and environmental sustainability.

The resolutions also specifically ask the Commission to ignore the fact that the City of American Canyon zip code is related to the City of Vallejo in determining the community of interest. The City of American Canyon's interests rest within Napa County and its residents are key participants in Napa's countywide issues.

The Town Council requests the Commission keep Napa County together including the City of American Canyon within a single US House of Representative, State Senate and Assembly Districts.

Respectfully Submitted,

John F. Dunbar, Mayor  
Town of Yountville

cc: Town Council  
Town Manager  
Town Clerk
