Are you a Yountville Business Owner? No

Are you registered to vote in Yountville? Yes

Why do you want to serve on this Board, Commission, or Committee?

I have worked with non-profits both in my working and retired life. For the last 17 years, my interests have been to help residents, visitors, and organizations in Yountville reach their goals. I would like to continue this with the TOYCF.

What do you perceive is the role of this Board, Commission, or Committee?

Support community-based programming to benefit and serve the residents of the Town including but not limited to: 1) youth recreation and education; 2) community based wellness and enrichment; 3) senior recreation, leisure, education and support services; 4) parks and facilities improvements; 5) cultural arts; literary, visual and performing arts programs; 6) initiatives for events and programs staffed by community volunteers; and

7) Friends of the Yountville Library.

How would you represent the interests of the community?

Most of the volunteer positions I hold in the community are to make people feel positive about their visit to our wonderful town. Residents reach out to various organizations to maintain their style of living here - I am always glad to help out in the roles I have chosen.

What strengths/expertise/special skills would you bring to the Board, Commission, or Committee?

Organizational abilities, former grant writer, volunteer coordinator and house manager at Lincoln Theater, board positions (secretary and treasurer) of various non-profits in the community.

Please describe your previous community service and volunteer experience.

In my working life, one job I held was grant writer for a disabled children's center. Currently I volunteer at the Visitor's Bureau, NV Museum, Lucky Penny Theater, Friends of the Library, Napa Wildlife Rescue, and the FOCUS Scholarship Committee. I have been president and other board positions of my residential social club and homeowner's association. I have been a volunteer for various groups in San Francisco and Yountville for over 50 years.

Anything else you would like to tell us?

I have a Master's Degree from San Francisco State University. I had my own small business for over 30 years - helping professionals (physicians and attorneys) who work out of their homes. My other interests are raising orchids, international travel, and enjoying lifelong learning. In 2022, my husband and I were named Volunteers of the Year of the Yountville Chamber of Commerce/ Visitor's Bureau.

Name, Addresses and Phone numbers of three (3) individuals familiar with your background (Please do not use council members as references).
