Interests & Experiences

Do you currently live in Yountville? Yes

Are you a Yountville Business Owner? No

Are you registered to vote in Yountville? Yes

Why do you want to serve on this Board, Commission, or Committee?

I recently retired and feel like I finally have the bandwidth to get more involved in our community. The Arts Commission is of great importance in Yountville, seeing as our Art Walk attracts a worldwide audience. It would be an honor to serve and support this committee, and I would enjoy having a roll in shaping how art is featured in our community.

What do you perceive is the role of this Board, Commission, or Committee?

I perceive the role to be of a collaborative nature, helping to promote the arts and identify/evaluate possible new art forms and events that can be featured. Art helps us pause to appreciate what is around us. Thus, the Arts Commission has the opportunity

to create experiences for residents and tourists that promote our town and bring people together.

How would you represent the interests of the community?

I live in Yountville and love this town. I am immersed in our local culture and socially connected with many members of our community. Prior to moving to YV, I was a frequent visitor, so I possess both a tourist and resident perspective.

What strengths/expertise/special skills would you bring to the Board, Commission, or Committee?

I've enjoyed a successful career in sales and management, where I mentored staff, developed sales plans and achieved goals via influence and collaboration with a multitude of individuals at all levels. Having previously served on the General Plan committee, I have a familiarity with our town board protocol. I have a genuine interest in bringing value to this committee. I am a patron of the arts, supporting our local museum, the Lincoln Theater, the De Rosa, the Uptown, etc. I've also participated in the Yountville Out Loud events, sharing original poetry.

Please describe your previous community service and volunteer experience.

Please refer to above comments. Outside of YV, I have travelled twice to Nicaragua, building homes for Habitat for Humanity. I've also enjoyed baking treats and taking them to the veterans home up until the pandemic. Hoping that can resume soon!

Anything else you would like to tell us?

I'd love to see us leverage and deepen our connection to the Yountville Veterans Home by featuring more art and artists that highlight the veterans that have served our country. Thank you for considering my application.

Name, Addresses and Phone numbers of three (3) individuals familiar with your background (Please do not use council members as references).
