Resolution Number 22-4139

APPROVING IMPLEMENTATION OF UPDATED PHASE 2 WATER SHORTAGE EMERGENCY REGULATIONS

Recitals

- A. At the May 3, 2022, Town Council meeting, Town Council adopted Resolution 21-4118 approving the implementation of Phase 2 Water Emergency Regulations in response to the drought and the notice from CalVET of only 400 Acre-Feet of water supply from Rector Reservoir and Treatment Plant.
- B. The implementation of Water Shortage Emergency measures results in conservation of water supply and behavioral improvements that decrease indoor and outdoor residential, and commercial water use.
- C. Town Council has determined to revise Phase II Water Shortage Regulation Numbers 3 and 6 from the previously adopted Resolution 22-4118. Revised Regulations 3 and 6 are revised herein while the remainder of the regulations remains the same as Resolution 22-4118.

Now therefore, the Town Council of the Town of Yountville does resolve as follows:

- 1. The Phase 1 water conservation measures remain in effect.
- 2. Commercial and industrial users shall reduce their water use by 20% of their use during the corresponding period of the preceding nonrationed year.
- 3. In no event shall residential users exceed the following gallons per week per meter:
 - Residential meter serving one unit: 2,000 gallons per week;
 - Residential meter serving two units: 3,000 gallons per week;
 - Master meter serving more than two units, no separate irrigation meter: 1,110 gallons per week per occupied unit plus an irrigation allotment totaling 40 gallons per day for each 1,000 square feet of landscaping.
 - Master meter serving more than two units, with separate irrigation meter: 1,110 gallons per week per occupied unit
 - Or as directed by majority of the Town Council at the July 19th Town Council Meeting.
- 4. For a lawn, landscaping, or field irrigated through a Town Landscape Irrigation Meter dedicated to that use, usage shall be limited to 40 gallons per day for each 1,000 square feet of such lawn, landscaping, or field.
- 5. Regardless of water source, all outdoor irrigation shall be prohibited between the hours of 10:00 a.m. and 6:00 p.m.
- 6. Regardless of water source for all water users EXCEPT residential and multi-residential users even numbered addresses shall irrigate only on Monday and Thursday, odd numbered addresses shall irrigate only on Tuesday and Friday. There shall be no irrigation on Saturday, Sunday, and Wednesday. Or as directed by majority of the Town Council at the July 19th Town Council Meeting.
- 7. Irrigation is not permitted during or 48 hours after measurable rainfall. Measurable rainfall

is defined as ¼" in a calendar day (mid-night to mid-night).

8. No using of potable water to wash down structures, sidewalks, and driveways.
9. No hand watering or irrigating outdoor landscapes in a manner that causes excess runoff.
10. No hand watering or washing of motor vehicles with a hose unless the hose is fitted with a shut-off nozzle.
11. No operating a fountain or decorative water feature unless the water is part of a recirculating system.
12. Drained or new swimming pools shall not be filled using potable water from the Town's domestic water supply. Pool water must be trucked in from an off-site, out of Town water source.
13. Newly permitted pools and spas must be equipped with an installed cover prior to final inspection.
14. Newly constructed homes and existing homes with landscape renovations shall install drip or micro-spray systems and drought tolerant landscape.
15. No irrigation of parking median strips (between the sidewalk and the curb) shall be allowed without a drip irrigation system.
16. Hotels and motels must clearly and prominently display notice of option to reuse towels and linens changes only upon guest request.
17. The Town shall give notice to any customer that has a terminable service contract with the Town that such contract will be terminated upon implementation of Phase III by the Council.
18. The Resolution is hereby adopted and becomes effective and in full force immediately upon adoption.
