### **Why do you want to serve on this Board, Commission, or Committee?**

To help protect the historical roots of the village. To bring thoughtful strategic decision making to the table combining our heritage with plans for long-term business and lifestyle improvement. To ensure that all current and future citizens and businesses are heard in any planning process.

### **What do you perceive is the role of this Board, Commission, or Committee?**

To ensure that the Town's Plan is implemented thoughtfully. To advise the Town Council on matters related to the General Plan, amendments, and other tools used to manage the Town of Yountville. **How would you represent the interests of the community?**

My background as a business owner, a CEO and a retail design consultant position me as board member who can listen to, and speak comfortably with both commercial constituencies, contractors, designers and consultants. And, as a Yountville home owner, I reflect a local perspective.

See above. Also, although retired from business, I teach part time at Pacific Union College and am rooted in the greater Napa Valley community.
