Interests & Experiences

Do you currently live in Yountville? No

Are you a Yountville Business Owner? No

Are you registered to vote in Yountville? No

Why do you want to serve on this Board, Commission, or Committee?

I graduated from college with a degree in fine art. I was classically trained in Drawing and Oil Painting at a small private studio in Malibu, California from the age of 10-16. When I turned 16 the studio offered me a job as an instructor for the children and teen classes . This was a job I happily held until I turned 18 and moved away for college to study art.

What do you perceive is the role of this Board, Commission, or Committee?

My understanding of the this role is to provide vision, leadership, inspiration and support to artists and their art in Yountville.

How would you represent the interests of the community?

The town of Yountville is a great mix of locals, who I have gotten the pleasure to know in the almost decade that I have worked in this town, and affluent travelers from all over the world. I think it is important when making decisions to consider both the locals within the community as well as the travelers who we welcome.

What strengths/expertise/special skills would you bring to the Board, Commission, or Committee?

More than anything I love working with others to problem solve in a positive way! I enjoy learning from others ideas and experience especially when it comes to working together with a common goal. Lastly, I have a great background and education in the Arts; I am passionate about community art - its so important.

Please describe your previous community service and volunteer experience.

I have volunteered for the following organizations: San Francisco Child Abuse Prevention Center Utah CASA Program (helped organize silent art auction 2 years in a row) Ramon Aboitiz Foundation, Inc | Cebu Philippines (lead a preschool art program once a week while I lived in the Philippines working for a Graphic Design Firm) Chapparral House | Berkley (I did a weekly flower arrangement and art projects with the residents of this nursing home) Art for Uganda Invisible Children Foundation | Los Angeles (Organized an art auction with 100% of proceeds donated to Art for Uganda)

Anything else you would like to tell us?

I would love to be apart of this. I have been itching to get back into the art community and meet other art minded locals!

Name, Addresses and Phone numbers of three (3) individuals familiar with your background (Please do not use council members as references).
