Why do you want to serve on this Board, Commission, or Committee?

I strongly support both pedestrian and bicycle safety in our town. I am an avid bicyclist and have walked extensively in Yountville. This gives me first hand insight into the "flow" of the town both on week days and weekends.

To learn the current policies of the commission, be an active listener, and provide input to the council.

keep an open mind to issues and solutions.

I was in sales management for over 20 years which gives me a strong background in both intra and inter relationship building. I am very much a team player.

My community service was in my younger years. I was a volunteer fireman in Marin County and coached baseball teams for over 10 years.
