I oppose the passage of Ord. #22-508 Expressive Activities and Events

This appears to be a solution in search of a problem and unnecessary

In our community.

The fact that today's agenda packet is 490 pages in length is an example of how big government

Has become in our very small town.

I realize and appreciate that lots of work goes into maintaining and improving our town, and I am very

Proud of it. But this is excessive and mind boggling.
