CHAPTER 505

An act to amend Sections 42270 and 42271 of, to amend the heading of Chapter 5.2 (commencing with Section 42270) of Part 3 of Division 30 of, and to add Sections 42272 and 42273 to, the Public Resources Code, relating to solid waste.

[Approved by Governor October 05, 2021. Filed with Secretary of State October 05, 2021.]

LEGISLATIVE COUNSEL'S DIGEST

AB 1276, Carrillo. Single-use foodware accessories and standard condiments.

Existing law prohibits a full-service restaurant, as specified, from providing single-use plastic straws, as defined, to consumers unless requested by the consumer, and places the duty to enforce this prohibition on specified state and local health and environmental health officers and their agents. Existing law specifies that the first and 2nd violations of these provisions result in a notice of violation, and any subsequent violation is an infraction punishable by a fine of \$25 for each day the full-service restaurant is in violation, but not to exceed an annual total of \$300.

This bill would instead prohibit a food facility from providing any single-use foodware accessory or standard condiment, as defined, to a consumer unless requested by the consumer, as provided. The bill would prohibit those items from being bundled or packaged in a way that prohibits the consumer from taking only the item desired. The bill would authorize a food facility to ask a drive-through consumer, or a food facility located within a public airport to ask a walk-through consumer, if the consumer wants a single-use foodware accessory in specified circumstances. The bill would require a food facility using a third-party food delivery platform to list on its menu the availability of single-use foodware accessories and standard condiments and only provide those items when requested, as provided. The bill would exclude from these requirements correctional institutions, health care facilities, residential care facilities, and public and private school cafeterias.

This bill would require a city, county, or city and county, on or before June 1, 2022, to authorize an enforcement agency to enforce these requirements. The bill would specify that the first and 2nd violations of these provisions result in a notice of violation, and any subsequent violation is an infraction punishable by a fine of \$25 for each day in violation, but not to exceed an annual total of \$300. By creating a new crime and imposing additional duties on local governing bodies, this bill would impose a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that with regard to certain mandates no reimbursement is required by this act for a specified reason.

With regard to any other mandates, this bill would provide that, if the Commission on State Mandates determines that the bill contains costs so mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.
