## Yountville Town Council Staff Report

**DATE:** September 21, 2021

**TO:** Mayor and Town Council

**FROM:** Steve Rogers, Town Manager

**PREPARED BY:** Eddy Gomez, Management Analyst

**SUBJECT:**

Update on COVID-19 situation in Napa County

**DISCUSSION/BACKGROUND**

Since June 15, 2021 Napa County and the Town of Yountville have aligned with California Department of Public Health (CDPH) and the State of California to fully reopen, removing capacity and distancing restriction for most businesses and activities.

Nonetheless, the risk of COVID-19 due to the Delta and other variants remains at moderate levels in the Yountville community.

All the Town's facilities and programming have been open to the public to provide access to staff and services and only requiring face covering upon entering Town facilities. Park and Recreation Department is currently providing both in-person and ZOOM programming.

With the Town being a premier touristic location attracting many visitors, staff have continued outreach efforts to the community encouraging them to get vaccinated, wear face coverings, maintain physical distance, and to monitor personal health.

Town staff has received several inquiries as to if the Town would be requiring proof of vaccination in order to participate in parks and recreation programming.

The Town continues to follow and adhere to the requirements and guidance issued by the Napa County Health Department.
